Insight dimensions L x W x H	3200 x 2460 x 1547 mm
Suitable for	Pallets 125" x 96"
Weight	1025 kg
Capacity	30 pallets
Dimensions cargo roll	WEL
Surface treatment	Hot dip galvanized

More Information

A pallet centering rack is a construction in which empty pallets (96"x 125") can be collected. Through its construction, a pallet centering rack positions aircraft pallets neat on each other. As a result, the stacks of pallets can be transported or stored easily.

The specified dimensions and weight are indicative and no rights can be derived from this publication.

Do you need a custom solution?

Our team of design experts and highly professional manufacturers will help by creating and planing the best solution for your need.
